

## **David D. Lamm, Boone County Solid Waste Management District**

David D. Lamm is currently the Administrator of the Boone County Solid Waste Management District. The Boone County Solid Waste Management District was formed in 1991 as required by law, in order to address issues concerning the management of solid waste and recycling in Boone County. Lamm was appointed in 1994.

Lamm is also President and Owner of Blue River Environmental Inc., a small consulting firm concentrating on solid waste, hazardous waste and recycling issues for public and private sector clients. Lamm has been Chairman of the Solid and Hazardous Waste Committee of the Indiana Chamber of Commerce, Chairman of the Solid and Hazardous Waste Committee of the Indiana Manufacturing Association and past president of the Indiana Environmental Health Association.

Lamm's career spans over three decades in the solid and hazardous waste area. He spent nearly twenty years with the State of Indiana and when left in 1987 was Assistant Commissioner for Solid and Hazardous Waste, IDEM. Lamm has also worked for national solid waste companies and local engineering firms.

He is a graduate of Purdue University and a U.S. Army veteran. He currently resides in Indianapolis.
